School-Family-Community Partnerships**

ADMINISTRATOR PLEDGE

I believe in the importance of teamwork in education: administrators, teachers, parents and students working together towards a shared goal of a tremendous educational experience.

I am _____, and this is my pledge:

- **I will** encourage students to do their best work. **I will** help them understand the importance of working together to reach their full potential.
- **I will** greet students, teachers and parents with a smile every day. **I will** be attentive to the needs of students, parents and staff and will respond promptly to questions or concerns.
- **I will** strive to make sure each family understands all of Bobcean Elementary School's policies and procedures. **I will** be available to answer any questions or clarify any concerns.
- **I will** encourage an open dialogue between parents and teachers. **I will** do my best to facilitate positive interactions. **I will** encourage families to contact teachers and administrators with questions and ideas about school programs.
- **I will** provide an atmosphere where students are comfortable talking about their needs and concerns.
- **I will** be committed to fostering a spirit of excitement and growth in each child's educational experience. As part of a team of teachers, parents and administrators, **I will** work to strengthen and sustain a comprehensive partnership to enhance our educational programs.
- **I will** encourage parents to participate in their child's classroom experience through volunteer activities by providing a warm and welcoming atmosphere when they enter the building. **I will** provide training and guidelines for volunteers in the building to help maintain student confidentiality rights.
