STUDENT PLEDGE

I believe in the importance of teamwork in my education: my parents, teachers, school leaders and I working together to not only teach me things from books, but also how to be a good person.

My name is _____, and this is my pledge:

- **I will** do my best work and **I will** ask for help when I need it.
- **I will** go to school on time each day and **I will** be ready to learn.
- **I will** be respectful to my classmates and my teachers. **I will** be a good listener and a good friend.
- **I will** talk to my parents about my day. **I will** show them my communication folder, make sure my homework is finished, and be sure that I understand how to do it. **I will** take responsibility for bringing my folder, backpack, lunchbox and any other things my teacher or parent has asked me to bring to and from school every day.
- **I will** be responsible for my actions both at school and at home. **I will** follow the rules of the Positive Behavior Support (PBS) program. I know that **I will** be rewarded for good behavior and that there are consequences for inappropriate actions.
- **I will** be safe at school and **I will** make sure that my actions keep others around me safe.
- **I will** cooperate with others and **I will** respect the decisions of my parents and teachers.
- **I will** help at school or at home, with activities that help me, my teacher, my class, my school or my community. **I will** encourage my parents to do the same.
