

# J.M. BARNES ELEMENTARY SCHOOL

## WELCOME BACK!!!

I hope everyone had a wonderful summer. I can't believe how quickly it has gone by. I've enjoyed my summer spending time with my family and friends. My daughter, Sophia, will be attending Oakland University this fall. We have spent the last couple of weeks getting her moved into her 1st apartment. My son, Peyton, will be a junior this school year. My husband and I spent time working around the house and we took a few small trips as a family. I always appreciate the extra time the summer gives me to spend with my family.
